

Blue Ridge Autism and Achievement Center

GROUNDBREAKING FACT SHEET

MAY 5, 2016

Design Architect Alam Design Group LLC

General Contractor G & H Contracting

Total Project Budget \$1.7 million

GENERAL INFORMATION

- The expansion will add 12,650 square feet to the existing 25,000 square foot facility.
- Approximately 5,000 square feet of the existing facility will be renovated during the expansion.
- The entire project will include 6 one-on-one spaces, 3 transitional classrooms, up to 5 STARS classrooms, a new gymnasium, a Life Skills Center, a Vocational Training Center, additional staff areas, and additional restrooms.
- Construction began February 2016. The project is expected to be completed by November 2016.
