Dough Raising Night!

Dear Parents,

Domino's® is very excited to support **Blue Ridge Autism and Achievement Center** by helping to raise money for their much needed programs and supplies. We've developed a program that's easy to participate in, that will provide you with a wonderful meal and will help your School. On your school's Dough Raising Night, **Monday April 30th**, we will **donate 20%** of your purchases back to **BRAAC**!

Here's how it works:

1. On the designated day mentioned above visit one of our participating locations, call or **order online at www.dominos.com**
2. Once you have selected one of our participating locations from below, select items to order, type **school** under the coupon code or tell it to the team member to receive credit for the purchase.
