Welcome to another exciting year for the BRAAC SUMMER PLUS Program. It has been hugely successful for both children with autism and those without! This summer's camp is developed by BRAAC for children with autism. **So how can it be GREAT for your child?** Typical peer models (your children), ages 3-14, love the interactive play, crafts, music, field trips, pet therapy, etc. They also learn about children with challenges and how to love and accept them as God intends. Each class is divided according to age and includes 5-6 typical peer models and two to three children with autism who have one on one "coaches." We had many typical peer models attend the Summer PLUS program last summer! There are 6 scheduled weeks and your child(ren) can attend all six weeks or just choose one or a few. We just ask that you sign up by the deadline for planning purposes. Activity Fee is \$45 per week for BRAAC families (siblings) and \$60 per week for non-BRAAC families for each child participating. Payment must be included with application. Applications due June 1, 2019.

**Please check weeks participating:**

**Monday thru Thursday  
9am – 2pm**
