

# Connecting the Town Piece by Piece

## APRIL IS AUTISM AWARENESS MONTH

### Help us bring awareness by participating in our Piece by Piece Program

April is Autism Awareness Month! Your business can help generate some much needed funds for Blue Ridge Autism and Achievement Center by participating in BRAAC's Piece by Piece Program during the month of April. BRAAC's Puzzle Pieces are a fun, simple way to raise funds while supporting a local community non-profit. All proceeds will stay in our community to help children and families affected by autism spectrum disorder and learning disabilities. Join BRAAC in connecting the town for Autism Awareness Month!

If your business is interested in selling puzzle pieces to benefit BRAAC, please contact Teri Nance at [teri.nance@svhservices.org](mailto:teri.nance@svhservices.org) or 540-366-7399 for the Roanoke area and contact Shelley Andrews at [shelley.andrews@svhservices.org](mailto:shelley.andrews@svhservices.org) or 434-525-4790 for the Lynchburg area.
